

The Gift of Life

A gift to Trees For Houston is a wonderful way to enhance the environment while paying tribute to someone. The Trees For Houston **Tribute Program** allows donors to commemorate a special occasion, honor a friend or family member, or make a memorial gift. The **Baby Tribute Program** is also an excellent way to honor a newborn, and ensure that future generations will have the pleasures and benefits that only an urban forest can provide.

For a tax deductible donation of \$310, a 15-gallon, 6'-8' tall tree will be planted in our Trees For Houston tribute grove located at the retention pond bordering Tully Stadium on Dairy Ashford, south of I-10. For a donation of \$450, a 30-gallon, 8'-12' tall tree will be planted at our grove. By sponsoring a tree you are giving a gift that will grow for generations to come. In lieu of a planted tree, a tax deductible donation of \$30 or more will help plant and maintain trees throughout Houston. An acknowledgement will be sent to each recipient.

Trees For Houston is the nonprofit organization dedicated to planting, protecting and promoting trees. We are a 501 (c)(3) organization.
